

# Membership Application

By becoming a member as individual you can suggest projects, attend our AGM and be elected onto our Board. Community Group Membership allows you to send representatives to our AGM and get involved in our projects, and Business Members can help to develop our work in ways that can support their enterprise.

Membership and broad community involvement is extremely important to us and makes an essential contribution to our development and projects across the area. With your input we can ensure that we support the projects that matter most to the people who live and work here.

More detail on membership options are on our website [www.act-now.org.uk](http://www.act-now.org.uk) where you can sign up online and pay via PayPal, or fill out this form and return to Act office at the address below.
